Heather L. Krasna : Job Search 2.0: Your Guide to Success in a Reinvented Job Market (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Search 2.0: Your Guide to Success in a Reinvented Job Market (Volume 1):

1 of 1 people found the following review helpful. More great practical advice
By Anna B. This follow-up to "Jobs That Matter" contains more great practical advice for job seekers. The chapters about networking -- how to network, where to network, and when to network -- are especially helpful. The job market has changed significantly, and Ms. Krasna's second book will help you navigate it.
0 of 0 people found the following review helpful. Indispensable for an effective job search.
By Paul R. Abramson
Heather Krasna has thoroughly updated her first edition of Jobs That Matter. With three additional years of experience as the career director at the University of Washington Evans School of Public Policy, as well as additional experience as a free-lance adviser, she has written a fresh up-to-date book that should be purchased by job-seekers who own the first edition. It provides a treasure trove of practical advice.

Job search has changed drastically since the recession. Social media, personal branding, and referrals have become essential components of the toughest job market in memory. Heather Krasna, career coach to thousands of job seekers ranging from high-level executives to recent college grads, has answers to the toughest job search questions for this reinvented job market.
