Patricia Dorch clearly explains every step of the process strategies to get my next job! I highly recommend it. You will not be disappointed! 1 of 1 people found the following review helpful. Informative, Well Written, and Invaluable Tool! By adnan I am a full time student and going to graduate from school in less than a month. I received this book not knowing what to expect, and as soon as I started reading it, I couldn't put it down. This book is filled with breakthrough information to help give any college graduate that edge when going to a professional job interview! The knowledge contained in this book is easy to read and straight forward, but absolutely invaluable for the graduating college student. I can confidently say that I am looking forward to my first professional interview! I have recommended this book to my friends and classmates, and would easily recommend it to anyone else. During this tough economy, where every employer is looking to hire only those with experience; graduating students are finding it harder to stand out and get that edge over those with experience. This book will give you that edge, and is a must for any college graduate!
