**Joel Whitburn : Joel Whitburn's Top Country Songs, 1944-2005** before purchasing it in order to gage whether or not it would be worth my time, and all praised Joel Whitburn's Top Country Songs, 1944-2005:

0 of 0 people found the following review helpful. Good book, great format, lots funBy Julie A. ShaughnessyGreat book for researching and eventually downloading best country songs4 of 5 people found the following review helpful. Not as good as past versionsBy Donald P. KampesI started with the 1988 version and updated it with the 1994 version, both excellent publications. This 2005 version leaves a few things to be desired . First, duets are now co-mingled with the individual artist listings making them more difficult to locate, and some of these duet hits aren't listed under both artists names. Top 10 hits are no longer listed in BOLD print. Pop chart info isn't listed AT ALL, which makes it impossible to readily determine crossover hits. It was nice to include the songwriter by the selection, but there isn't a "Songwriter Section" for all the songs by the writer listed together. There is a section that ranks the songwriters in

number of hits written, but no listing of the titles they wrote. You can't do one without the other, in my opinion.  
CONCLUSION: If you are mostly concerned with the tracking of pre 2000 hits, crossover hits, duets, and ease of finding top 10 hits, stay with your older version of the "Top Country Singles" books. Respectfully submitted,  
Donnykaye0 of 0 people found the following review helpful. Five StarsBy robert snyderSo glad to have the information available on hand. Well ordered, easy to use.

(Book). In this comprehensive artist-by-artist listing, you'll find the more than 2,300 artists and 17,800 songs that debuted on Billboard's country singles charts from 1944-2005. Not only does it cover the complete chart careers of legendary country greats such as Johnny Cash, Tammy Wynette, Merle Haggard, Alan Jackson, and Reba McEntire, it also introduces fresh country voices like Gretchen Wilson, Bobby Pinson, Keith Anderson and others. This unique country compilation is a priceless gold mine of stats and facts, all presented in a handy, easy-to-use format!
