It was a wonderful guide, providing us information about various wineries and their unique characteristics. As a winery owner (KinshipWinery.com), we are always looking to see what other small vintners are doing. AThe Okanagan Valley is a refreshing change from the California wine country offering a laid back experience and opportunities to meet the owners/winemakers themselves. Worth it's weight in wine!!By TuckermansRavineA great resource guide to the Okanagan Valley vineyards, especially from an East Coast reviewer. It is worth it's weight in gold, or should I say wine.
