Barbara Owen, Scot L. Huntington, Stephen L. Pinel, Martin R. Walsh : Johnson Organs: 1844-1898 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Johnson Organs: 1844-1898:

0 of 0 people found the following review helpful. An Excellent Reference Organ Book of the Johnson Organ Company -By Dennis E. FerrarIt is always a pleasure to read a history of historical organs and organ builders. Here one finds through the help of four historian researchers a definitive book on the history of the Johnson and Son Organ Company - 1844-1898. This fine reference book offers photographs, articles, specifications and locations of this fine organ company. The Book - Johnson Organs - 1844-1898 - William A. Johnson - Johnson Organ Company - Johnson Son. Two beautiful color photographs - front cover and back cover by Len Levasseur - A Documentary Enlargement

Issued in Honor of the 200th Anniversary of William A. Johnson Birth - 1816-2016. - by Scot L. Huntington, Barbara Owen, Stephen L. Pinel and Martin R. Walsh. 239 pages. Publication Design by Len Levasseur: The Princeton Academy of the Arts, Culture, and Society. Cranbury, NJ - (2015). Table of Contents - Introduction; i. Johnson Annuary; ii. Johnson Annotated Opus List; iii. Johnson Geographical Index; iv. Johnson - List of Extant Organs; v. William A. Johnson, Op. 16 - (1850) - Its History and Restoration; Appendix - Johnson Photographs and Documents in Facsimile; Select Bibliography. The excellence of the writing, historical information, photographs and listings is indeed remarkable and all writers must be congratulated. Here one finds the complete information and date of one of America's first and finest of organ companies known for its building superb instruments and indeed known for their tonal balance and utilizing the finest of materials in construction. Highly recommended for any scholar, musicians and organ aficionado. 0 of 1 people found the following review helpful. A Superior Tribute to the Johnson Organ Company By Christopher Cusumano Ms Owen, whom I revere as a writer, musician and historian has written an absolutely wonderful, scholarly, informative, and absorbing book on the history of one of this country's finest 19th century organ builders. I enjoyed every page from first to last and recommend it to anyone who is interested in these things. She has written many other books on various facets of organ building; this is her latest triumph! I recommend it most highly!

Johnson Organs 1844-1898 Wm. A. Johnson Johnson Organ Co. Johnson Son A Documentary issued in Honor of the Two Hundredth Anniversary of His Birth 1816-2016

About the Author In addition to her duties as Librarian of the American Guild of Organists's Organ Library at Boston University, Barbara Owen is active as an organist, historian, lecturer, consultant, and writer. Having twice served as President of the Organ Historical Society, she is author of several books and many articles on the organ, its history, and its music.
