From Hal Leonard : Joy of Improv, Book 1 Book Online Audio before purchasing it in order to gauge whether or not it would be worth my time, and all praised Joy of Improv, Book 1 Book Online Audio:

3 of 3 people found the following review helpful. Great learn Jazz book. By BoogieBeauDave has his own solo improvise style of sorts which comes through I feel in this learning book. Covers many keys with great lesson tunes. Mostly 2-5-1 4 2-5-1 progressions. The included CD has all the lessons recorded on it so you can hear how they should sound. At first I didn't think I would learn much. Then I found after a little practice I can improvise with the notes provided but not use the same order or rhythm. Thus I conclude you can really use the lesson tunes to learn how to improvise those left hand solo riffs over Jazz chords. 0 of 0 people found the following review helpful. Work through this book and see you grow By Ron Davidson What can I say, it's Dave!!!! Work through this book and see you grow. Deceptively simple exercises that build a solid foundation. No fluff here. Dave has got a great system that works

wonders.0 of 0 people found the following review helpful. Great StuffBy BouncinWBudI am working this material into my practice schedule to try to improve my technique and speed. The book has a lot to offer. I recommend it.

(Piano). This course on improvisation for all instruments and all styles will help players develop monster musical skills! Book One presents Lessons 1 through 26 of this unique instructional course that imparts a solid basis in technique, rhythm, chord theory, ear training and improv concepts. Covers: common chord voicings, basic chord progressions, the swing feel, and much more. The audio can be used as a listening and play-along tool. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.
