The best information regarding KabukiBy Dario Irizarry CaraballoFirts of all, I received the Kabuki Encyclopedia at least 2 weeks prior to the due date and that tells me of the good service I have received from and its sellers up till now. Thanks! Then the book is definetely the enciclopedia of Kabuki. Although the word jiten actually translates better as dictionary. In any case this is a hard to find rare book regarding the art and all what is needed to enjoy and understand this magnificent art form the Kabuki theatre of Japan. Even when I consult a lot Kabuki 21 which is a website and that really is the Kabuki Encyclopedia actually I always like to have a hard copy book edition. For the price adn the good condition practically new mint condition I consider it was more than fair for such a rare excellent reference book. I am very happy with it.2 of 2 people found the following review helpful. Kabuki Encyclopedia--EnglishBy B. A. DilgerThere used to be a used book store in an old house at 10th and Poplar in Charlotte, N.C. I would spend hours there digging through the stacks, perhaps learning a little on the way. Among my numerous categories was oriental works. One day the proprietor showed me the book under review. I was taken by it immediately and purchased the book. It opened up a world not known to me, a bright world

of scenery and actors, of action and beauty. This work inspired me to search Kabuki plays through the libraries, and I read plays translated to my imperfect English. On it's own the Kabuki Encyclopedia can explain a seemingly alien concept, or lead down trails of the Japanese culture's great achievements. 1 of 1 people found the following review helpful. an appreciation of kabuki By W Boudville Fans of kabuki who do not know Japanese should peruse this encyclopedia with interest. Leiter has translated many topics in kabuki into readily understandable entries. Subjects include many famous kabuki plays, along with playwrights and actors of the last 200 years. The book also has numerous black and white photos of recent plays. Along with illustrations of such items as wigs.
