Kaplan : KAPLAN GMAT CAT 1999-2000 (Annual) before purchasing it in order to gage whether or not it would be worth my time, and all praised KAPLAN GMAT CAT 1999-2000 (Annual):

5 of 6 people found the following review helpful. Kaplan - Computer Adaptive TestBy A CustomerNever having taken a computer adaptive test, I found this book to be a great help in preparing for the exam. The strategies for troubleshooting the questions were fairly straightforward, and were mostly what you would have deduced on your own. However, the examples of trick questions, refreshers in math, and what the graders are looking for on the essays were vital. I think the book probably gained me 50-100 points on my score.
