Kaplan : Kaplan GMAT Direct: Streamlined Review and Strategic Practice from the Leader in GMAT Preparation (Kaplan Direct) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaplan GMAT Direct: Streamlined Review and Strategic Practice from the Leader in GMAT Preparation (Kaplan Direct):

5 of 6 people found the following review helpful. Very basic - only useful if your GMAT is next weekBy GMAT Club

(Expert) This is an "emergency" GMAT prep book designed for 1-2 week review. 200 pages with the majority of the book dedicated to the most basic of things such as test interface, instructions, etc (which are important if you don't know them, but most will have taken a free GMAT prep from mba.com). The book barely touches on each of the subjects (it spends 25-30 pages per question type). On the plus side, it does have a grammar and usage guide at the back along with GMAT idioms - a welcome surprise. Bottom line - if you know anything about GMAT or have taken a practice test - move on. Get Kaplan GMAT 2010 Premier Live Online (Kaplan GMAT Premier Live) instead or something more specialized for each question type such as Manhattan GMAT Sentence Correction for SC.

Features include: Focused overview of test content and the computer-adaptive test (CAT) format. Concentrated, streamlined lessons on the 5 GMAT math and verbal question types, as well as Kaplan's proven score-raising test strategies. Practice sets help students retain the essential information they learn. Test Specifics: Thousands of graduate management programs around the world use the GMAT in their admissions process. The GMAT is a computerized test offered year-round by appointment. Check inside this book for a chance to win \$5000 to use for school and other prizes!

About the Author: More people get into business school with a Kaplan GMAT course than any other major test prep company. This is because we provide three advantages no one else can match: The most personalized prep with more course options and any competitor including in-class, online, one-on-one, and self-study because one size does not fit all; the most focused prep with Smart Reports, our exclusive online score analysis and personalized recommendation system; and the most effective prep, which is why we guarantee your score will improve or your money back.
