Stanley Kaplan : Kaplan Resume Builder with Career CD-ROM before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaplan Resume Builder with Career CD-ROM:

0 of 1 people found the following review helpful. Excellent Guide to Resume WritingBy A CustomerI recommend this book to anyone who is seeking advice on writing a killer resume and cover letter. I really liked how the author included "real" examples of people struggling to write a good resume; giving a whole sense of practicality. Also, the "real world" advice sections is very useful in providing information regarding what top executives want to see in resumes and cover letters.

In today's challenging job market, crafting a distinctive resume is a key step to landing a job. Resume Builder is crammed with the information you need to know, including expert guidance to help you resolve problem issues on your resume - like job hopping, lack of experience, and time gaps; organize the most effective raw material for your

resume; design a layout that's strong, clean, and simple; and write a cover letter that's as strong as your resume.
