0 of 0 people found the following review helpful. Keep Calm It'll Be Grand By Kathleen Just what I hoped it would be. Fun, interesting, and compact. I purchased it for a friend and she was delighted. I intend to buy one for myself, and maybe for some of my family members. Go Irish!

Cheering words for testing times, courtesy of the Irish "There are only two kinds of people in the world: the Irish and those who wish they were." Irish proverb "Birds sing after a storm. Why shouldn't we?" Rose Fitzgerald Kennedy "Only Irish coffee provides in a single glass all four essential food groups: alcohol, caffeine, sugar and fat."

Alex Levine So what if the craic's not as good as you expected, you can't get a decent pint of Guinness for love nor money, and the Celtic Tiger is whimpering instead of roaring you've still got the luck of the Irish and that's all you need to succeed! Here's a book packed with quotations and proverbs to help keep the indomitable Irish spirit alive. Slinte!
