It showed nothing about the mileage which is a huge factor in calculating the value of the car. Too, the font in this book is so small I needed a magnifying glass to read it even though I have perfect vision. 0 of 0 people found the following review helpful. great info on what one should pay for used vehicles ... By BVCA's always with Kelley, great info on what one should pay for used vehicles considering mileage and condition. Highly useful. 1 of 1 people found the following review helpful.
