**Kelley Blue Book : Kelley Blue Book Used Car Guide: April-June 2010** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kelley Blue Book Used Car Guide: April-June 2010:

0 of 0 people found the following review helpful. an invaluable tool for anyone having any thing to do with cars,By kristinaVery handy to have on hand when dealing with parasitic relatives and a dead senior member of said family with a shaky will.Cant argue with the 'blue book'!

More than 40 million used cars are sold each year, yet the average person has very little idea what to pay for one or what to ask as a selling price. First published in 1926 for banks, auto dealers and other businesses, the Kelley Blue Book quickly set the standard for used vehicle value guides. In 1993, the book was finally made available to the general public.
