Who else wants to force their resume to rise to the top of the stack? Sometimes the only separating you from a great job and unemployment - is a great resume. But the rules on how to write a resume that grabs the attention of an employer are always changing. Chances are, if you learned how to write a resume back in high school. Your techniques are outdated. It's a question of who wants it more. And if you need that job like a chocoholic needs a Hershey's bar. You better take the time to learn...
