June Factor : Kidspeak: A Dictionary of Australian Children's Words, Expressions and Games before purchasing it in order to gage whether or not it would be worth my time, and all praised Kidspeak: A Dictionary of

Australian Children's Words, Expressions and Games:

This is the first book to offer a rich and comprehensive sampling of the linguistic range, variety and complexity of Australian children's colloquial, vernacular language.

"The text is well organized . . . it is a useful academic reference and an essential addition for any library collection. As well, it provides fascinating reading and browsing for anyone with an interest in children and the world as they see it."
