From Brand: WetFeet : Killer Cover Letters and Resumes! before purchasing it in order to gage whether or not it would be worth my time, and all praised Killer Cover Letters and Resumes!:

0 of 0 people found the following review helpful. The WORST book everBy K MacI flipped through the pages from cover to cover and discovered it had duplicated the current trends that columnists have written and any suggestions that were offered were the same. Nothing new here, and don't buy this book, it is a waste of time, most of the examples you can google for better suggestions.

Your objective: Stand out from the pack. Want to know how? Get this guide and read the latest wisdom from recruiters and hiring managers to get your resume noticed.
