John Farndon : Kingfisher First Encyclopedia of Animals. before purchasing it in order to gage whether or not it would be worth my time, and all praised Kingfisher First Encyclopedia of Animals.:

The Kingfisher First Encyclopedia of Animals is the ideal introductory encyclopedia for young wildlife enthusiasts, containing a wealth of animal information explained in an understandable, accessible manner. The entries are clearly presented, with simple, informative text and attractive artworks and photographs which aid understanding and enhance the book's appeal to young readers.

About the AuthorJohn Grisewood graduated from Oxford University, England. His early career was in children's magazines. He compiled and edited numerous reference books including The Kingfisher Illustrated Thesaurus and The
