Stewart Borden : Kitchen Tidbits: What I Learned In Culinary School before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kitchen Tidbits: What I Learned In Culinary School:

0 of 0 people found the following review helpful. Five Stars By Giovanna This is an excellent book with useful tips every cook should know! 1 of 1 people found the following review helpful. ... to any page and you get tons of very useful tidbits about how to cook better By Customer Open to any page and you get tons of very useful tidbits about how

to cook better. Add calvados to your apple tart, grand marnier to your chocolate mousse, and tequilla to your lemon tart...who knew?!

Every day I was in awe of the things I was learning at chefs school (International Culinary Center, New York) so I started writing them down in the form of tips and tricks of the day, which quickly turned into a popular daily blog. After graduation, I was encouraged to summarize these tips (and more) into this book. I hope you enjoy them.

About the Author Stewart is currently testing recipes for a NYC Italian chef's cookbook. He is also a film and theatre composer as well as an accomplished pianist and the bassist for the band Men in Suits. Listen or download his most recent CD Fermata available through: thereadingsalon.ca
