Sharon Turner : Knitting Stitches VISUAL Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitting Stitches VISUAL Encyclopedia:

18 of 18 people found the following review helpful. Kindle version looks GREAT on the iPadBy Laurie (Cat Herder Extraordinaire)I wanted a stitch dictionary that I could use on my iPad. This one is great. The color pictures are beautiful, the instructions are easy to follow and it will be great to use while I am knitting overseas later this month! I use it in the Kindle app for iPad and it works great!0 of 0 people found the following review helpful. A good book, with great pictures, however...,By sueI just received the book. The pictures are great, however it needs an alphabetized list. The stitches are organized by category, but are in random order. A stitch beginning with a B may be after stitches beginning with W or K. It's difficult to find what you want. A little more detail is needed for some designs. I'm an advanced beginner, with lots to still learn, and will use the book. My computer will be nearby, though, so i can learn details about some techniques.0 of 0 people found the following review helpful. The most complete book knitting stitches.By RebeccaI just taught myself to knit about two months ago. I borrowed this book from the library first and quickly decided I had to own it. It is all about making swatches of every kind of knitting methods and stitches

imagineable, including textures, laces, and color strand designs.

350 stitch patterns you'll use again and again Knitting Stitches VISUAL Encyclopedia gives you quick visual access to a comprehensive collection of stitch combinations that enable you to create your own designs or modify existing patterns with ease. Each stitch is accompanied by a full-color photo and diagram to make learning even easier, while sidebars guide you through tricky parts of various stitch patterns. knit and purl patterns ribs bobbles and textured stitches slipstitch patterns twist-stitch patterns cables drop-stitch, eyelet, and lace patterns borders and edgings color knitting patterns
