Martin Yate CPC : Knock 'em Dead 2012: The Ultimate Job Search Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knock 'em Dead 2012: The Ultimate Job Search Guide:

3 of 3 people found the following review helpful. Job search-lonely journey no more! By Woodstock I have bought this book for friends and family many times. Job search is a very lonely business and here is a book which guides you at every step of the process. And informs you of steps and opportunities you would have overlooked or not taken full advantage of. I was an HR professional for 35 years and Yate nails it! Get it and spend time with the Table of Contents. Read the chapters which are relevant to your search as they occur. Re-working your resume, strong advice is there. Got a telephone interview, get prepared. Not hearing back, learn how to gracefully get yourself back in the mix. Using the full power of the Internet, how do you know? Buy it, use it, trust it, it works. 1 of 1 people found the following review helpful. Great Reference Guide By humangenome I switched careers and have never written a resume or interviewed for a job before. In my other profession I was in demand and people know me, so if I was available I was just hired without all the traditional processes. I did some research and bought this book, followed Yate's recommendations and developed a resume. I applied to three jobs and landed three interviews, the first one I blew the interview as I was unprepared. I went back and read the book on interviewing, went to the second interview prepared

and nailed it! In addition, I nailed the third interview and now I have multiple offers facing me. Thank You Martin Yate. 0 of 0 people found the following review helpful. Very informative! By Indiagirl This has a lot of really great information you need to know if you are a job seeker. This is very informative and a great tool to have. Love it!

"Classic winner . . . This is one of the most valuable career books on the market." Los Angeles Times
Perhaps you've been laid off and are wondering where your next paycheck will come from. Or maybe you're stuck in a job you hate, one that makes no use of your talents. Either way, you're looking to make a change and in today's uncertain climate, you need the best advice there is on how to manage your career. For more than twenty-five years, New York Times bestselling author Martin Yate has shown the way for millions of job seekers. Now you can turn to him for a proven method to put your career on track. This guide includes:
A completely revised section on how to ace the job interview
Step-by-step guidance for writing a killer resume
New advice on long-term career management
How you can join a company's inner circle
Jobs are coming back; the market is rebounding. You need the book Financial Times called "the best book on job hunting." Because it's time to take control of your career and your life.
