**Martin Yate CPC : Knock 'em Dead Job Interview Flash Cards: 300 Questions Answers to Help You Land Your Dream Job!** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knock 'em Dead Job Interview Flash Cards: 300 Questions Answers to Help You Land Your Dream Job!:

0 of 0 people found the following review helpful. The book is betterBy singalongsongThere is a lot of great information in these cards but I think this is a great resource for someone who has 1) read the book version of these flash cards or 2) operates more efficiently using flashcards as opposed to reading out of a book. The problem I had with this product was that a good percentage of the cards asked you to refer to the book, and there are just a huge number of flashcards (some with lengthy paragraphs copy/pasted directly from the book) that it isn't very practical to carry around. Again, I think this is a great product to supplement the book and I think this product would be more beneficial for someone who feels more comfortable learning from flashcards as opposed to reading a book.2 of 2 people found the following review helpful. Great concept, helpful to an extent, could be betterBy DawnI love the idea of having a flash card to assist with the interview question process, but some information required you to get the book. They should have said you need to buy the book to go with the cards. It's a great concept, but not so great with the answers or direction to assist with the interview question and answer. I ended up buying other interview books that were great and created my own flashcard tailored to my own personal needs (that worked much better than some of those crazy questions).0 of 0 people found the following review helpful. Great companion to Yate's book.By LotusIf you want to make the most of this Flash Cards, you need to have access to the Knock'em Dead Job Search Guide, which, I think every serious job-seeker should have. Instead of giving you just answers, it enables you to think and come up with answers that is right for you! Tip: great to have some of these in your pocket/purse and tap into your creativity when you have time in between.

To amaze and impress job interviewers, you need the formulas for answering tough questions. With these handy flash cards, career wizard Martin Yate shows you how to display those essential transferable skills, behaviors, and values

that every employer wants. When you've mastered these cards you'll not only get the job; you'll be on the road to long-term career success.
