Great format, and it breaks down the cards into ...By LJoo83Great format, and it breaks down the cards into four categories (i.e. nouns, adjectives, etc). Unfortunately I received duplicates of part 3, never received part 4. Otherwise I would have given them a 4-5 star rating.0 of 0 people found the following review helpful. Does NOT include hangul alphabetBy Edie BearI wanted to practice the hangul alphabet but the individual letters were not included. Seems like something that should. The structure is also odd. I ended up making my own flashcards. Another big help was Talktomeinkorean.com0 of 0 people found the following review helpful. Handy, robust study aidBy Mavis BramstonA very handy product for memorising vocab anywhere. Saves time instead of making my own out of less robust paper cards.
