Albert Camus : L'Etranger before purchasing it in order to gage whether or not it would be worth my time, and all praised L'Etranger:

I used this same edition when I was teaching French at University of Massachusetts-Boston in the 70s and was very pleased to find it still availableBy David M. BuskeyI ordered this edition to use with a college student whom I have been tutoring for the past five years. I used this same edition when I was teaching French at University of Massachusetts-Boston in the 70s and was very pleased to find it still available, even used.8 of 8 people found the following review helpful. Vocabulary surpriseBy MichaelI don't know if I just didn't

read this in the description when I bought the book, but when I opened it up this evening I found-to my surprise-that there is a list in the back of the book with the verbs used in the text. My French skills are sufficient for most things, but I have to admit that the presence of that reference material is comforting. Other than that, the book arrived in great shape, just as expected. 2 of 2 people found the following review helpful. I love this book! By Andrew I've read it twice for two different classes and loved it both times. It's written in a basic enough level of french for most intermediate students to understand, and it reads very quickly as you don't want to put it down! I love Meursault!

The Stranger, unabridged.

From the Publisher The Stranger, unabridged. Complete text of play for intermediate reading.
