Highly recommended for using a sharpie to map out your places to hit and day-by-day plans and restaurants. 4 of 4 people found the following review helpful. beautifully printed; yes, it's "too big" but if you want to go outside the totally touristy areas, what are you going to do By Beatrice Izzey beautifully printed! and lightly laminated so you can fold it one more, in half. yes, it's "too big" but if you want to go outside the totally touristy areas, what are you going to do. you can just keep the panel you want folded out, to face out. I have not been able to find a better map anywhere. There are LOTS of dumbed down maps that don't give all the side street names. 0 of 0 people found the following review helpful.
