Driving in the Dominican Republic is not for the faint of heart, but anyone who does needs to have a GREAT map and this one sure is. The map does include the new by-pass around Santiago, the new autopista to Semana, and the bypass and autopista to Punta Cana. Also has great city maps of Santo Domingo, Colonial Santo Domingo, Santiago, Puerto Plata and Punta Cana area. Also a great map for one who enjoys the Dominican Republic and simply wants a good map.
