I carry it in my travel bag just in case technology fails. And a dry erase marker to go along with my map.3 of 3 people found the following review helpful. Good mapBy GGThis is a very well labeled and accurate map, definitely a good companion for a trip to San Francisco. My main complaint is that it doesn't go all the way to the west coast of the city, which would be an easy expansion. This map will be sufficient if you're only covering the center of the city, but if you're going further, to the Legion of Honor area, etc, you will need to supplement it.0 of 0 people found the following review helpful. Five StarsBy Dan,a winner here--basic but good enough.

Folded street and travel map in color. Scale 1:13,000. Legend includes museums, monuments, churches, synagogues, golf/tennis courts, bus stations, international airports, airfields, points of interest, cable car routes, hotels, nature preserves, view points, camping sites, beaches. Includes inset of Alcatraz Island (1:15,000), Golden Gate Park (1:13,000), S.F. Bay Area (1:400,000), S.F. and Region (1:150,000), BART System and Muni Metro System map. A month-by-month chart shows average high temperatures, precipitation, humidity, and hours of sunshine per day.
