**H. Douglas Brown, Priyanvada Abeywickrama : Language Assessment: Principles and Classroom Practices (2nd Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Language Assessment: Principles and Classroom Practices (2nd Edition):

1 of 1 people found the following review helpful. Basic textbookBy Ricardo De La TorreNot much to say about it. it provides a basic overview to language assessment. Basic tools, methods, term definitions. A great starting point for anyone new to language assessment or to test writing in general. I feel that a lot of what is in this book can be applied to other subjects as well.0 of 0 people found the following review helpful. Printing problemsBy Wenting LiAt least five pages have printing problems. I cannot even see the last line of the paragraph.0 of 0 people found the following

review helpful. GoodBy CustomerIt's great and cheaper than that in bookstore.

'Language Assessment' provides teachers with a clear presentation of the essentials for assessing second language learning fairly and effectively. This updated second edition includes new research and information on standardized tests, a new chapter on form-focused assessment, and a concise glossary of terms.

From the Back Cover Language Assessment provides teachers with a clear presentation of the essentials for assessing second language learning fairly and effectively. This updated second edition includes new research and information on standardized tests, a new chapter on form-focused assessment, and a concise glossary of terms.
