Andy Volk : Lap Steel Guitar before purchasing it in order to gage whether or not it would be worth my time, and all praised Lap Steel Guitar:

0 of 0 people found the following review helpful. Just a fantastic book, full of history I didn't knowBy Cameron WiserJust a fantastic book, full of history I didn't know. For steel players, there is the special treat of having the tunings of all the players discussed presented in graphic form. A wonk's dream. For the general reader, it amounts to a capsule history of American folk music.1 of 1 people found the following review helpful. Lap Steel GuitarBy Uncle Buck ofamaThis is a beautiful, heavily illustrated book; I like to page through it, looking at all the fine old guitars. You can read this book, without having to study it. In other words, it's a fine coffee table book, but also full of detailed

information and history, for those who are so inclined. 1 of 1 people found the following review helpful. a bit "olde Tyme" By john platt I liked it ... good info on older players and older instruments... but it needed up-to-date info on the latest instruments and the new younger players to encourage the present day music lovers to take up this wonderful guitar in all it's variations

(Guitar). Centerstream proudly presents the first-ever comprehensive book about lap-steel and console steel guitars. Includes: interviews and profiles of more than 35 of the greatest electric and acoustic steel guitarists of the past and present, representing most forms of music played in the world today; previously unpublished photos and commentary on vintage steel guitars and new instruments from the best modern builders; resources for guitars, amplifiers, accessories, instructional materials, steel guitar tunings; and much more. Players covered include: Junior Brown, Bob Brozman, Jerry Byrd, Papa Cairo, Jody Carver, Cindy Cashdollar, Bruce Clarke, John Ely, Pete Grant, Steve Howe, Andy Iona, Harry Manx, Dick McIntire, Santo Johnny and dozens of others. 336 pages, with 40 pages of wonderful color!
