Editors of Larousse (Mexico) : Larousse Gramatica de la Lengua Espanola: Reglas y Ejercicios/Grammar for Spanish Speakers before purchasing it in order to gage whether or not it would be worth my time, and all praised Larousse Gramatica de la Lengua Espanola: Reglas y Ejercicios/Grammar for Spanish Speakers:

1 of 1 people found the following review helpful. reliable bookBy MartaLauraI trust Larousse books. I am a Spanish book and have found them to be the most useful. This is a great resource book to have on your desk in order to ensure you are writing properly. It is well written and very accurate. This is not a book for those that do not speak Spanish and it might not be a book for Spanish speakers that haven't had the opportunity to be educated in their language.

Grammar isn't easy but Larousse makes it easier to know. 1 of 1 people found the following review helpful. Sera como Book, Sera como TextBy Customer This is an excellent language book including many rudimentary exercises. Those who can read the introduction with ease, may want to jump to "la sintaxis" (p. 137 onward); so that the distinct aspects of the language can be grasped at first; then, the basic elements would be traveled through backward toward the beginning. This is one way of capturing the content of the book, the structure of which is very good. The book may not be the best, though, for one who seeks grammatical references in details. 1 of 1 people found the following review helpful. Good grammar book By Jesus Good quality book. I wouldn't recommend this book to a beginner or probably even intermediate in the language. The whole book is in Spanish and uses more complex words. This book is good for native speakers to improve their grammar.

Indispensable at school, at work, or in the home, this one-stop Spanish grammar guide includes examples and exercises that address every common grammar question. Features include in-depth coverage of each of the grammatical categories: noun, adjective, article, verb, pronoun, adverb, preposition, and conjunction practice exercises with solutions to reinforce grammar knowledge an appendix of spelling rules and verb conjugation charts lists of commonly misused words: for example, porqu, por qu, porque, por que. Una obra ideal para iniciarse y recordar la gramtica, con todos los temas importantes de la gramtica espanola: sustantivos, adjetivos, articulos, verbos, pronombres, adverbios, etc. Un apndice de reglas ortogrficas y un apartado de sintaxis. Fontica y fonologa (estudio de los sonidos representados en letras). Morfologa (estudio de las palabras): accidentes gramaticales, el sustantivo, el adjetivo, el articulo, el pronombre, el verbo, clasificacin de los verbos, el adverbio, la preposicin, la conjuncin, la interjeccin. Sintaxis: elementos bsicos, elemento de la oracin, la oracin compuesta, etc. Apndice de: ortografa, conjugacin de verbos. ndice de conjugacin de verbos ndice Analtico Gran cantidad de ejemplos con el espanol de hoy. Listado de palabras que presentan dudas, ej: porque, por que, porqu, por qu. Ejercicios y respuestas para practicar y reafirmar conocimientos.

About the Author The Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native language speakers of these countries.
