After studying Spanish for 10 years, I wished I had gotten it sooner! I used this book while traveling, but mostly academically. There are many entries that give more examples of meaning that other dictionaries. This was recommended to me by a professor and I would recommend it to another student.0 of 0 people found the following review helpful. Five StarsBy DidiVery useful when doing translations.0 of 0 people found the following review helpful. Four StarsBy KGood dictionary.

For the intermediate to advanced Spanish-speaker, this is the ideal desktop Spanish-language dictionary.
