My daughter started taking French this year and this Pocket student dictionary is exactly what she needed. It is so very helpful and perfect for students. She is 7th grade. Great resource to have at a fantastic price.
2 of 2 people found the following review helpful. A good book for the beginner student

While this is not as thorough a French dictionary as some of the others on the market, it's great for the beginner and casual scholar of French. The words are written large, and the pages are colorful and easily managed.
3 of 3 people found the following review helpful. Easy to use. Wonderful for beginners.

WoI am currently learning French I, and my teacher recommended we get a pocket dictionary. I searched online and found that this is a very helpful dictionary. I soon bought it and I am still intrigued at how easy it is to use and that it is specifically made for students! It is very basic so I got the non-student pocket dictionary. If you want a more advanced dictionary then you should go with the normal Larousse pocket dictionary. Thank you. Larousse Pocket French-English/English-French Dictionary (English and French Edition)

Perfect for students in middle school and up, this easy-to-use reference should have a place in every student's desk or backpack. The vocabulary has been adapted specifically to the needs of the beginning language learner, and thousands of examples show words used in context.
