**Larousse : Larousse Student Dictionary French-English/English-French (French and English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Larousse Student Dictionary

French-English/English-French (French and English Edition):

13 of 13 people found the following review helpful. Student DictionaryBy lovetodreamThis is a great dictionary for a student or teacher as well. I like the fact that there is a two-color design and that makes it easier to find the word you are looking for. It is very simple and so easy to use. There is also extra informationfor a complete learning experience. There are also 1,000 themed color illustrationsto make learning more fun and easy.1 of 1 people found the following review helpful. Nice big font and yellow highlight - easy to search and find words - a MUST have for all French studentsBy Annika L. RockwellMy 7 year old daughter was THRILLED to finally receive this dictionary after having had to use a tiny little blue on for most the year. We love the way the words are so easy to find and in big font with yellow highlight. Brilliant for young students and adults who choose not to use dictionaries with tiny font!0 of 0 people found the following review helpful. Awesome French dictionary for kidsBy JBAwesome French dictionary for kids. It has become very helpful to my son in middle school who is taking french for the 1st time.

The Larousse Student Dictionary is designed specifically for middle-school students. Each of the more than 22,000 words and phrases covered in this book is accompanied by an example sentence to avoid confusion. Additionally, the book contains 1,000 thematically grouped color illustrations on more than sixty pages to aid in vocabulary acquisition.

About the AuthorThe Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native-language speakers of these countries.
