NOT HELPFUL FOR STUDENTS TRYING TO LEARN ACTUAL LATINBy BunnyMore about the ancient Romans than actually learning the language.2 of 2 people found the following review helpful. Excellent beginner Latin book!By Stephanie J SamuelsI love learning Latin as a basis for the Romance languages and English. One day I will get through Caesar'a Gallic Wars with the help of this book.0 of 0 people found the following review helpful. Great start!By MaryThis is a great book to start learning Latin. This is what I used in Elementary/Mid School and managed to get A's in all my HS Latin classes based on what I learned from this book without *cough* really studying... *Cough cough*

Earn-lay atin-Lay? No, not that kind of Latin! You can learn true Latin, with conjugations, declensions, and all those

extra syllables and its easier than you think. In fact, most people mistakenly think of learning Latin as perhaps the most useless, tedious, and difficult thing to do on earth. They couldnt be more wrong. Latin For Dummies takes you back for a quick jaunt through the parlance of ancient Rome, as well as discussing the progress of Latin into church language, and its status today as the dead language that lives on in English, Spanish, Italian, and most other Western tongues. Written for those with zero prior knowledge of Latin, this snappy guide puts the basics at your fingertips and steers clear of the arcane, schoolmarm stereotype of endless declensions and Herculean translations. Easy-to-understand sections describe: Latin you already know Grammar Pronunciation Latin in action Latin in law Latin in medicine Latin for impressing your friends And much more No dusty tome or other such artifact, Latin For Dummies makes learning fun and brings the language to life by presenting conversations in various Roman settings, as well as providing fun facts and stories about classical life. And if you feel you may actually have a negative aptitude for the language, dont worry; pronunciations and translations follow every expression, and a helpful mini-dictionary graces the books last pages. Youll also find out about: The quotable Roman Latin graffiti Latin authors whos who Gladiator Latin Latin in love, marriage, and family From the mouth of Julius Caesar Romans on drink Helpful Latin-related Web sites Fun and games exercises Designed to introduce and familiarize you with the language rather than make you the next Cicero, Latin For Dummies gives you all the tools you need to work at your own pace to learn as much or as little as you like. So noli timere (no-lee tih-may-reh) have no fear and carpe diem (pick up Latin For Dummies today)!
