would be worth my time, and all praised Learn How To Pass Interviews: Interview Questions Answers: How To Pass an Interview With PwC, McKinsey, and Other Multinationals:

1 of 1 people found the following review helpful. Very disappointing  
By Scott Sterling  
Very disappointing. Not impressed with this book. There are many excellent interview books for the beginner to choose from; I would pass on this one. Not detailed enough. I thought it would be more in depth, nothing new or interesting.  
0 of 0 people found the following review helpful. Research, Mindset and Presentation is your  
By Dee  
The message here is that selling yourself is not difficult with effective mindset and skills to put a little effort into acquiring that dream job  
Research, Plan, and Present with the Blomberg Wheel.  
The book is easy to absorb and has pushed me into fine-tuning the interview presentation of ME  
1 of 1 people found the following review helpful. Nice Read!  
By Trixie B.  
Behavioral questions are missing. Other than that, it's highly informative!

Ultimate Interview Questions and Answers Guide  
This guide has been prepared by a PwC Consulting Manager and is one of the limited guides written by a hiring manager. Most interview guides are prepared by HR professionals not by actual practicing Hiring Managers. As a result of this, candidates fail miserably when they reach the hiring manager state of the interviews. The reason is fairly simple to understand; HR and Hiring Managers look for completely different things within a potential candidate. That's one of the many qualities of this guide.  
In preparation of this book, I have sifted through 100s of potential interview questions, before short-listing 6 main topics and questions. You don't need to know the perfect answers to 100s of interview questions. Simply because perfect answers don't exist. You are only required to know how to properly approach the most commonly asked questions. This is what this guide excels at.  
This guide is NOT for you if:  
You are looking at finding "perfect" sample answers to 100s of interview questions which you think you can simply memorize and recite within any interview and believe you will be able to pass all interviews because of those magical answers.  
You are not genuinely serious about progressing your career and you believe that the reason you fail interviews is due to the fact that your answers are not perfect. This guide is DEFINITELY for you if:  
You are looking to understand how to strategically position yourself through your answers, discover the unwritten requirements, and give HR Hiring Managers what they are Really looking for with your answers to their interview questions  
You understand that there is never a perfect answer, yet there is a perfect approach.

Deniz, this is an exceptionally high-quality guide. I can't thank you enough for writing this resource and preparing the video series. I have had hundreds of great, light-bulb moments both going through the book and your free video course. I am indebted to you  
Mark Vujevich I will definitely be sharing this incredible book with all of our final year students. They have so much to learn from you.
