Jos Luis Leyva, Wei Wong : Learn Medical Terminology in 2015: English-Chinese: Essential English-Chinese MEDICAL Terms (Essential Technical Terminology)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learn Medical Terminology in 2015: English-Chinese: Essential English-Chinese MEDICAL Terms (Essential Technical Terminology):

3 of 4 people found the following review helpful. too simple and does not have pronunciation and meaning of ...By LIM KOK SING too simple and does not have pronunciation and meaning of the words..Both books are the same accept the front covers photos are not same...a scam book...to trick ...people...when it write 2015 when you compare both books all the similarity same...0 of 0 people found the following review helpful. Simple and very useful By Spencer Simple but very useful book. It contains the most frequently used terms. It has been a good resource for translation. I like the simplicity in term selection.

A new year is always a great opportunity to learn. A few minutes every day will help in your goal for personal and professional improvement. Being bilingual is an asset; and mastering different fields of speciality will make a difference in your bilingual skills. This book can be a helpful resource to learn the essential English-Chinese MEDICAL terms. Learn 4 to 5 terms each day and at the end of 2015 you will master the essential MEDICAL terminology in this language combination. This book contains only the most frequently used MEDICAL terminology in English and Chinese.

About the Author For more than 25 years, Jos Luis Leyva has been a translator and interpreter in various technical areas. His vast experience in bilingualism has allowed him to interpret for Presidents, Latin American and US governors, ambassadors, CEOs, judges, prosecutors, forensic experts and healthcare professionals. He is also the author of other books, including technical terminology books of the Essential Technical Terminology series.
