0 of 1 people found the following review helpful. Language fun By Cy Snyder I love learning language in graphic novel format or in kids books, because the language is easy everyday type. This mixing of english and spanish is great along with phrases defined in the margins. Quick look up along with reading a fluid story in both languages.

DC Comics and Berlitz have teamed up to help comic lovers of all ages build basic vocabulary following the adventures of their favorite comic book Super Heroes. Simple Spanish words are built into the dialogue so that

meaning is easily gleaned in the context of the action. Margin notes offer translation for clarification and reinforcement. Features: * Each language-learning book contains 5-8 stories featuring the popular DC Comics characters that have captured the imagination of kids and adults for generations. * Hundreds of vocabulary words are introduced and reviewed in each book * A fun and engaging new way to learn a new language
