From the Manufacturer Encyclopedia of Language Arts Blackline Masters is an ideal resource for developing reading

comprehension and writing skills. It includes 200 graphic organizers and blackline masters, more than any other book. It improves higher-order thinking skills as students identify main ideas, extract details, sequence events, compare and contrast, distinguish fact from opinion and determine cause and effect. This includes word charts, cluster webs, story and main idea maps, fishbone organizers, Venn diagrams, writing organizers and more to encourage a deeper level of comprehension. It features graphic organizers and blackline masters divided by tabs into 5 sections: narrative writing, vocabulary development, expository writing, persuasive writing and reflective writing. This helps prepare mainstream students and ELLs for the extended response section of standardized tests, also great for in-class assessments. It provides 208 spiral-bound pages for easy photocopying.
