Larry Koon : Lee Middleton Original Dolls Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Lee Middleton Original Dolls Price Guide:

0 of 0 people found the following review helpful. It was very helpful I just wish there was a ...By Dare2bme71It was very helpful I just wish there was a second version that covered dolls after the years in the book.0 of 0 people found the following review helpful. a good reference guideBy China57This book is surprisingly organized for such a vast amount of information. It is specific information about lee middleton dolls, but does not include the work that is being done to preserve her work. For example, it doesn't include Lee Middleton with Reva.0 of 0 people found the following review helpful. Middleton Price GuideBy joy samuelsonI didn't realize when I purchased the book that it did not go all the way to the present date of 2014. It stops at 2000. I need a book to go past 2000., I am having a lot of trouble finding one. It is very helpful for the dolls it does have in it tho.

This is the first ever identification and price guide to the popular babies from Lee Middleton Original Doll Inc. The book includes the My Own Baby Line, Club Exclusives and all-time favorites. Current values for the earliest dolls to the recent additions to the Middleton family are part of this price guide too. A delightful story about the bundles of joy personally designed by the late Lee Middleton Urick, and creatively carried on by Reva Schick. History of the company, and a peek inside the Belpre, Ohio, factory show how the talented Middleton team create 'The Babies That Love You Back!'.

Excerpt. Reprinted by permission. All rights reserved. Welcome to the first edition of Lee Middleton Original Dolls Price Guide. It lists over 500 of today's most highly collectible limited edition vinyl and porcelain dolls which were produced from 1981 through 2000 dolls by Lee Middleton Original Dolls, Inc., in Belpre, Ohio. Prices quoted throughout this 2000 Price Guide are actual prices realized from the sale of Lee Middleton Original Dolls sold through doll auctions around the country and through dealers and collectors who buy and sell these dolls. The term "Secondary Market" refers to the buying selling or trading of a certain collectible, most often for a price other than the original retail price. Prices quoted in the Secondary Market reflect the demand for the specific doll. The factors of supply of a doll weigh against collectors' demand for a doll. Thus the Secondary Market price can be higher than the original retail price but at times can be lower.
