## Working with Headhunters, Advancing Your Career and Reaching Enlightenment... Without the Sugarcoating:

2 of 2 people found the following review helpful. I may be prejudiced in that Mark placed me at ...By vulgarI may be prejudiced in that Mark placed me at a San Francisco startup during the dot-com bubble, He left a lasting impression on me in that he got to the core of my personality and the reasons for my success in business during the phone and in person interview. With humor and a complete understanding of the corporate world and individual foibles. That knowledge and humor come out clearly in his, hopefully first, book. I can only compare him to Scott Adams for a pithy, insightful look into the corporate world and headhunting. Toss in a "Calvin and Hobbes" joyful view of the world and it is a thoroughly enjoyable and educational read.1 of 1 people found the following review helpful. The world of executive recruitment written by one of the masters of the game.By Steve McAllisterI knew Mark was clever and creative but I had no idea he could write ! Let me give it to you straight is a behind the curtains look at what really happens in the world of corporate recruitment and is packed with one of a kind advice for job seekers that only Mark Jaffe can provide. The best part though is this book is a really great read. It is funny, never boring, and packed with amusing stories.1 of 1 people found the following review helpful. Best book of its kindBy R. A. GriffithsI work in the executive search sector myself, Mark knows this business inside out and writes with accuracy, fluency and style. In fact I would like to see him write more business books, his sense of humor made me laugh on a number of occasions and his insights were thought provoking

Let Me Give It To You Straight is an examination of the human condition as seen through the striving of corporate management, a guide to getting ahead without getting mustard on your jacket. If you're bored to tears with business books that take themselves too seriously and then don't even bother to tell you the meaning of life, look no further. If you want an insider's view of the secretive, mysterious world of the headhunter then this is the book for you. Mark Jaffe, ranked by BusinessWeek as one of the World's 100 Most Influential Headhunters, shares his experience in placing executives in a wry, witty and stylish way that gives you a genuinely unfair advantage when planning your next career move. You can order your first edition copy online right now. No waiting. It's a perfect gift for anyone old enough to get a job. Plus, they'll probably enjoy not receiving a box from Harry David again this year. Let Me Give It To You Straight. It may be the last book you'll ever need.
