**Carl U. Fauster : Libbey Glass Since 1818: Pictorial History Collector's Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Libbey Glass Since 1818: Pictorial History Collector's Guide:

3 of 3 people found the following review helpful. You need the book!By DuendeI bought this book as I am a avid collector of American Brilliant Cut Glass. E.D. Libbey made some of the best. I need a book more on his earlier work then this book provided. This is to modern for me,I was wishing for a book of cut glass patterns and his methods and hopes for the 1890s. As a collector you need this one, but I hoped for more. Frank Davis1 of 1 people found the following review helpful. Oops! wrong book.:)By susan dycheI was expecting the golden foliage collection to be price listed in there and it is not but thank you it is still a nice book1 of 1 people found the following review helpful. I recommend this volume on Libbey GlassBy Charlie BoggsComprehensive history as well as many excellent pictures of pieces and catalogue reprints. I am very pleased with this volume.

xi + 415 pages including index, history of the company, its founders and early employees, its products and catalog pages, started as the New England Glass Company in 1818, moved to Toledo in 1888, renamed the Libbey Glass Company and eventually owned by Owens-Illinois, Inc. with lots of bw and color illustrations
