He has excellent advice and he does not make himself out to be anything special.Definitely worth reading by anyone wanting to be an entrepreneur.Please consider reading it.2 of 4 people found the following review helpful. Thought provoking..By JayWow, where do you begin? Is it the story of Jeet himself or the lessons and thought provoking ideas he spreads that makes this story so great? It's hard to choose between them, but this is one of the most exceptional books I have read in a long time. This should be required reading for students at a young age because these ideas are powerful!0 of 1 people found the following review helpful. Very inspirational, not boringBy JobbI have been reading this book for 2 days and every time i read this book i get sunk in and feel the entrepreneur power entering me.

At the age of 17, Jeet Banerjee set out on a journey unlike any other. Frustrated with his low-paying jobs, he decided to create his own path in life by pursuing entrepreneurship. Jeet was still in high school, had no formal experience in the business world and had absolutely no money when he started.With all those barriers, Jeet grew his first business to 15+ employees before selling the company two years later. In this book, he shares his perspective on how a fulfilling life should be lived. Jeet shares powerful and practical advice from his experiences in the entrepreneurial world. He shows people that it's not your credentials, but your mindset that can lead you to success. This book helps people overcome their limited thinking to pursue their dreams and achieve the unthinkable. In Limitless Thinking, Jeet has syndicated a guide that will help individuals change their lives forever. Using his own experiences, insights, and knowledge, he has created this comprehensive guide to help you overcome the limitations in your life to find success.Jeet achieved this massive level of success all before his 21st birthday. Take a trip through his journey to see how he did it! Testimonials: Jeet provides us with a much-needed reminder that anyone can accomplish anything if they put their mind and heart into their goals. Hiten Shah, Co-Founder at KISSmetrics and CrazyEgg "Powerful, practical and solid advice on entrepreneurship for people of all ages. Jeet's story truly shows that anyone can find success in the world if they apply themselves." Anthony Delmedico, Multi-Millionaire Entrepreneur

About the AuthorJeet Banerjee is a young entrepreneur, digital marketing consultant, author, TEDx speaker, and startup advisor.
