Vega Definitely did! It was everything I needed for class and I constantly put it to good use. I bought a used version but it looked brand new! 0 of 0 people found the following review helpful. Three Stars By Natalie Goodwin The book was not in very good condition.

\* The aim of this text is train teachers to teach the Spanish language as a communicative system rather than as a set of grammatical rules - therefore it includes relevant information on Spanish pragmatics and sociolinguistics."
