Inc. BarCharts : LinkedIn For Business You (Quick Study Business) before purchasing it in order to gauge whether or not it would be worth my time, and all praised LinkedIn For Business You (Quick Study Business):

Gain business presence and increase your networking scope, sales, marketability, and knowledge while becoming a leader within your area of business. With over 364 million registered users worldwide whether you are a local business or international make sure you can be found on LinkedIn and that your presence is strong. Accomplish that goal using 6-laminated pages of info. Suggested uses: Personal learn to network for a better career increasing your potential and options, show your employer and/or customers your passion Business use for a team or department to make sales and develop leads through a larger network and formal business presence separate from other social media Job Seekers Hiring use as the new resume and CV with references built in; you may get job offers without even seeking OR have a

bank of potential employees within your connections
