But, I didn't know how to effectively use this website. I was not having any benefits from LinkedIn. But, I knew a lot of people who were having great benefits from this website. People used to get jobs from LinkedIn every now and then. I just wondered how do they do it and what was I doing wrong. Then a friend of mine recommended this book to me. After reading this book now I know everything about LinkedIn and how to use it effectively. I'm already getting a lot of calls for new jobs. Thanks to this book. I will definitely recommend this book to others. 0 of 0 people found the following review helpful. Three Stars By Mr. Robert T. Cataldo It was good but did not go into enough detail. More examples would have been good as well. 0 of 0 people found the following review helpful. Not the best By Matt I was expecting a little more substance, this is an extremely basic book for the LinkedIn beginner, not someone who is trying to hone skills using this tool specifically for job hunting or perfecting a public profile.
