From Rowman Littlefield Publishers : Linking Training to Performance: A Guide for Workforce Development Professionals before purchasing it in order to gauge whether or not it would be worth my time, and all praised Linking Training to Performance: A Guide for Workforce Development Professionals:

In the coming years, escalating retirement and turnover rates among community college administrators and faculty will decidedly create a void for professionals in the workforce development field. Using this book as your field guide, you can expand your range of knowledge and skills, enhancing local institutional and program experience to better respond

to local workforce needs.
