Tammy LeRoi Gilbert, Bruce Rogers : Listening Power 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Listening Power 3:

1 of 1 people found the following review helpful. but it's useless unless I had access to the recordingsBy patmosThe book can't be used unless you have the recordings (tape/ cd) which weren't included. There are no transcripts. Several of the topics in the book are outdated. As a listening practice I probably could use some of the material, but it's useless unless I had access to the recordings. As for the seller I used, the shipment came on time, but the book was said to be like new. It's not. Half of it is filled in.1 of 1 people found the following review helpful. Nice bookBy MaithuskersThis book is very useful for listening specially for foreign student in ESL classes.I did find it very easy to use too.0 of 0 people found the following review helpful. Excelente.By Ralf Pais T. FurtadoOk.

Listening Power is a three-book series with a targeted approach to teaching the listening skills that students need inside

and outside the classroom and on standardized tests such as the TOEFL and TOEIC. Listening Power 3 features four distinct parts designed to be used concurrently. Language Focus teaches essential and sometimes difficult advanced-level skills such as reduced forms, patterns of intonation, and idiomatic expressions. Comprehension Focus presents skills for understanding main ideas, supporting ideas, and details; making inferences, distinguishing facts and opinions; and recognizing organizational patterns. Activities to help students apply the skills follow the presentation. Note-Taking Skills teaches students how to identify important words and information. This section also presents helpful techniques such as use of abbreviations, symbols, and formatting. Listening for Pleasure uses interesting audio material from movies, TV, radio, and recorded storytelling to help students understand the more subtle meaning communicated through tone of voice, sentence stress, and reduced forms.

About the Author Tammy LeRoi Gilbert is an author, editor, teacher, and curriculum development specialist. For more than 25 years, both in the USA and Japan, she has taught and designed ELT (English Language Teaching) and test preparation courses, as well as serving as Academic Director at language schools and at UC Berkeley Extension. She co-authored Listening Power 3 and Express to the TOEFL iBT as well as contributing materials to TOEIC and other TOEFL textbooks. She recently acted as the developmental editor for Longman Preparation Course for the TOEFL Test iBT, 3rd edition by Deborah Phillips. She has also created and edited English for Academic Purposes and test preparation materials for online, International, USA, and Korean ELT education sites. She is currently focusing on creating and editing TOEFL, TOEIC, and academic English materials.
