It's very easy to follow, especially combined with the 9 cds and the interactive application. The grammar is clear and the examples are also very helpful; I feel that I learn up to date Greek and things that people in Greece actually say nowadays.I LOVE the culture notes!! A great bonus :)3 of 3 people found the following review helpful. Good way to learn to pronounce GreekBy J. ChesneyGood product. Correct pronunciation of Modern Greek.1 of 1 people found the following review helpful. Great Product!By Demetrea N FarrisI love this product so far. It is very useful and makes it as easy to learn Greek as learning a language with a different alphabet can be.

The Living Language Method Build a Foundation Start speaking Greek immediately using essential words and phrases. Progress with Confidence Build on each lesson as you advance to full sentences, then actual conversations. Retain what You've Learned Special recall exercises move your new language from short-term to long-term memory. Achieve Your Goals Don't just mimic or memorize. Develop practical language skills to speak in any situation.

About the Author Living Language has been a proven and effective language learning instruction for over 65 years. Using techniques originally developed for the US State Department, the Living Language Method follows a four point approach from building a foundation of essential words and phrases, advancing to full sentences and conversations, practicing with recall exercises aimed at both short and long term memory and developing practical language skills to equip the learner in any situation. Living Language is an imprint of Random House LLC, a Penguin Random House Company. Stamatina Mastorakou was born in Grenoble, France, in 1977. She earned an MA in the history and philosophy of science and technology from the University of Athens, Greece, and in 2008, she earned a PhD in the history of ancient astronomy at the Centre for the History of Science, Technology and Medicine, Imperial College, University of London.
