Rita Gilbert : Living With Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living With Art:

1 of 1 people found the following review helpful. RE: Living with Art By asimps06 It was not the right book, it was a guideline to writing about the subject. I did keep the item to help with my writing, but I did order from a different company and received the right one. 1 of 1 people found the following review helpful. Not as pictured!!!! By sweetie Luckily I did not need the book anymore, however this is a warning for newbies to online shopping. ALWAYS read the description box and be sure that you know EXACTLY what you are buying, I received a 3 page sample manual. Not happy. 1 of 1 people found the following review helpful. One Star By Barbara Payne It was not the book living with art. It was a guide for living with art.

Designed for introduction to art courses, this text covers art history and looks at art from the oldest cultures and from around the world.

"In reading Living With Art, I get the feeling that this is information being communicated by real flesh and blood; by someone who is a scholar but also has a sincere love of art; by someone who knows what it is like to be a student in an art appreciation class (confused/uninterested/intimidated/etc.);" Prof. John M. Bell, Blue Ridge Comm. College, VA
