Very Good Dictionary.By Cutie BabyThis dictionary is very helpful to the people who are starting to learn grammar. I am using it now because I am taking English as a second language. It is really nice dictionary. Anything I want to know is in this book. It is also easy to understand. It is thick and heavy book. It has good quality and it is very useful.0 of 0 people found the following review helpful. I am not happy with itBy JasminYangFor the first time I opened the box, I found a used dictionary!
