**Ana Mara Prez-Girons, Virginia Adn-Lifante : Looseleaf for MS with Connect Access Card** before purchasing it in order to gage whether or not it would be worth my time, and all praised Looseleaf for MS with Connect Access Card:

MS is an Intermediate Spanish program built on the assumption that students learn best when they are fully engaged. Each component of the MS experience is designed to spark curiosity and inspire critical thinking, from its unique magazine format to its thought-provoking readings and stunning short film collection. In addition to providing intriguing and timely cultural content and a solid review of structures covered in the first year, MS places a strong emphasis on open-ended communication, ensuring that students benefit from a wealth of opportunities for communicative practice, both in class and online. Students who need additional practice with grammar and vocabulary

to meet second-year expectations can strengthen their skills using LearnSmart, an adaptive learning tool that gives them the opportunity to focus their study time where they most need it. Through its diverse and lively view of the Spanish-speaking world, MS motivates a new generation of students to be inspired to communicate in Spanish. This new, stronger edition of MS welcomes multiple new readings, more communicative activities, new visuals, an eBook, as well as multiple resources online through Connect Spanish that address a variety of learning styles and student behaviors. Each feature of MS has been carefully selected to introduce important elements of the Spanish-speaking world and encourage exploration of different mediums of authentic content to both inspire and intrigue students' language learning experience. We are excited about the many new learning opportunities we have brought to this edition of MS, and we hope that it pushes our students to explore the Spanish-speaking world beyond the classroom, always seeking to learn and do more.

About the Author Ana Mara Prez-Girons is an adjunct Professor of Spanish at Western University, Middletown, Connecticut. She received a Licenciatura en Filología Anglogermánica from the Universidad de Sevilla in 1985, and her M.A. in General Linguistics from Cornell University in 1988. Her professional interests include second language acquisition and the integration of cultural competence and technology in language teaching
